Slack & Co. Ranks on *ENR's* Top 600 Specialty Contractors List

Houston, TX—On October 7, 2010, Slack & Co. Contracting, Inc. was ranked number 511 on *Engineering News-Record's* (*ENR*) Top 600 Specialty Contractors List.

ENR's annual list ranks the nation's largest specialty contractor firms based on revenues from the previous year. This year, a total of 58 Texas-based firms ranked on the list, 19 of them from Houston.

"Despite the tough economic conditions our company faced in the past year, we have maintained a strong presence in the industry," says Slack & Co. President Jim Slack, Jr. "In addition to our strength in the Houston market, we have recently expanded to the San Antonio and South Texas regions—a sign of our continued success and progress."

In addition to this year's ranking, Slack & Co. was listed as a top specialty contractor on *ENR's* list in 2009, 2007, 2006, and 2005.
